1. Principal's Report

- a. Word for the year-flexible. Changing Schedule. Wednesday 11/18/20 no school for kids, teachers work day. Per board meeting elementary kids will be face to face until Thanksgiving break then virtual for the week after Thanksgiving. Face to face until winter break and then virtual the first week back in January. \*subject to change if school board re-evaluates\* Dolsen continues to provide data that is tracked.

2. President's Report

- a. The PTO will organize and run a Holiday Giving Tree this year. There will be a sign up genius and this year we will fill up the tree as items are donated to families in need.

3. Treasurer's Report

- a. Vote to cover increased cost of Scholastic, \$170. Motion to approve by Amanda, second by Gina. Motion passed with no opposition.
- b. Fundraising is very behind schedule this year. If we can't get teachers/students/parents more involved and more funds raised the PTO will not be able to fund everything the usually do for the remainder of this year/next year. The budget may need to be revisited.

4. Committee Reports

a. CHEERS

1. The New Hudson Biggby owner now also owns the South Lyon Biggby with a drive thru. We will ask if she will extend the Dolsen fundraiser days to that location as people may be more willing to go to a drive thru location.

b. Fundraising

1. Dolphin Challenge-still going, just surpassed \$5,000.

2. Holiday Shop-Penguin Patch now open
3. There will be a shopping night at Grande Tunke Home in South Lyon on December 3 from 7-9. A portion of their profits will be donated to the Dolsen PTO.
4. Contactless Pizza Kit pick up will be at Mickey McMahon's house Friday 11/20/20
5. No Additional Items
